In order to buy electronics, you must save for them. Below is the price chart for electronics:

ELECTRONICS	PRICE
AIRPODS	\$140
PLAYSTATION 4	\$250
IPHONE	\$800
APPLE WATCH	\$350
HOVER BOARD	\$100

Use the chart to answer the following questions:

1. What would be the total cost of AirPods and an Apple Watch? _____
2. How much would three PlayStation 4s cost? _____
3. What is the total price for a full Apple Bundle (AirPods, Apple Watch, and iPhone)?

4. If you save \$500, will you be able to buy a PlayStation4 and a Hover Board?

5. How much would the electronics cost that you want to buy? _____

**ONCE YOU'VE EARNED THE MONEY, YOU'LL NEED SOMEWHERE TO STORE IT.
RENASANT BANK CAN HELP YOU OPEN A CHECKING OR SAVINGS ACCOUNT.**

A checking account allows you to put money in the bank instead of carrying cash. With a checking account, you can use a debit card to make purchases. This way, the bank can keep track of your spending.

A savings account helps you save money over the years. With a savings account, you can also earn interest. Interest is the amount of money a bank will give you for keeping money in your savings account.

DECORATE WHAT YOUR RENASANT DEBIT CARD WOULD LOOK LIKE BELOW!

USE THE WORDS AND CLUES TO COMPLETE THE CROSSWORD PUZZLE.
